

Schenectady, N. Y.  
March 16. 1890.

Henry Van Horne

Asks composition of  
the "Creide" Cent of  
1864.

Schenectady March 16.  
1890.

Supt. Mint of the United States  
Philadelphia Penn.

Dear Sir:

Will you kindly  
inform me, as to, what is the Com-  
position, of the "Creide" Cent of  
1864. I have a fine "Proof"  
of same, but do not know the  
metals of which it is composed <sup>or</sup> ~~from~~  
the per centum thereof.

Respectfully

Henry Van Horne  
632 Terrace Place  
Schenectady N. Y.

NARA RG104, Entry 1, Box 162

[Abstract:] Asks composition of the Oreide Cent of 1864.

Schenectady, March 16, 1890

Supt. Mint of the United States  
Philadelphia, Penn.

Dear Sir:

Will you kindly inform me as to what is the composition of the "Oreide" Cent of 1864. I have a fine "Proof" of same, but do not know the metals of which it is composed or the percentums thereof.

Respectfully  
Henry Van Horne  
632 Terrace Place  
Schenectady N.Y.
